It's coming down!!

Everyone in the Babel...

Back on the GL Game's cruiser...

You have to come back to Tokyo with me, right away.
We have to get back to the Babel before it blows up.

Well, this is great. Looks like you've got my message.

If we go back to stop the Babel from blowing up, Isoda will get away... What do we do?
If Leo's alive, that means Isoda's still alive, too...

Now, time to throw down!

So you believe me?
You see? Kota's got a mysterious power!
You know that, don't you, Darling?
I ♥ LOVE
It's the same as the GL Game in Tokyo Bay.
We'd all be dead by now if we didn't follow Kota's advice.
What's going to happen if we don't go back to Tokyo?

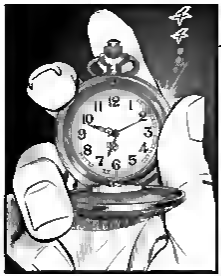
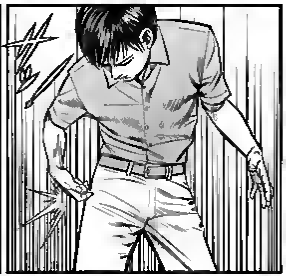
Yeah! A gambler's gotta trust her intuition!

Yeee oww www ww!!

It's a pit viper! We need to suck out the poison soon, before it spreads!

ハッ!





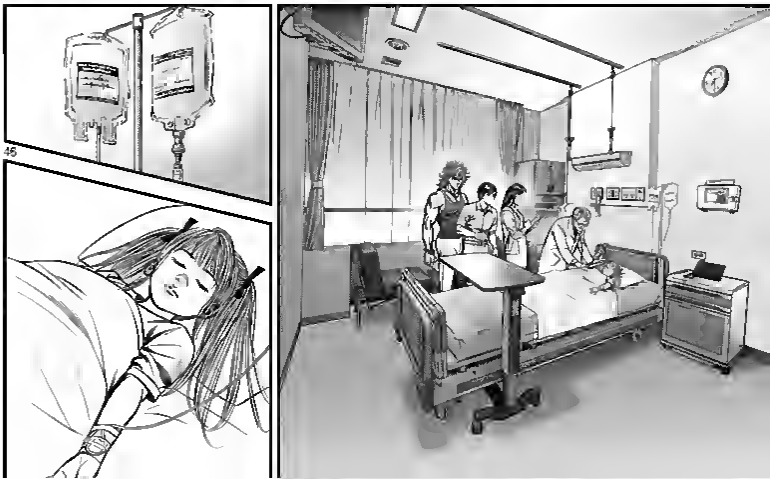
No...

I shouldn't do it.. I'll never save the world if I waste my precious time on this.

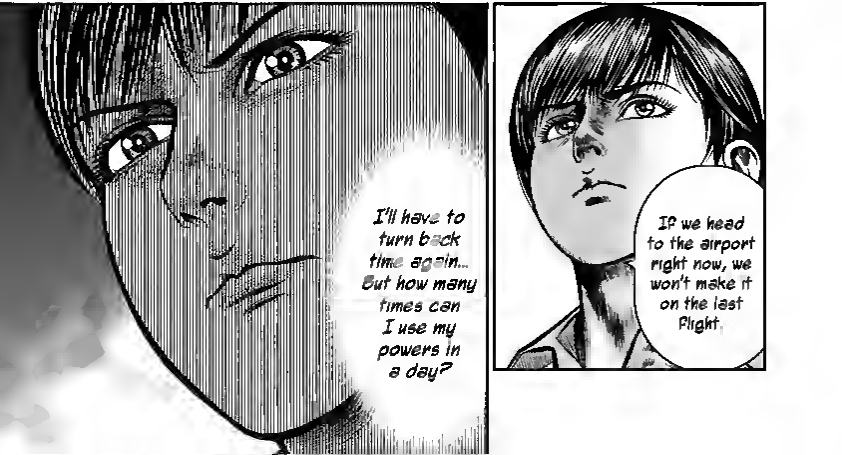
Once you've sucked enough poison out, take her to my car. That'll be way quicker then calling an ambulance.
Try to keep her arms and legs still, or the poison will spread faster.
Shit !!
Call the nearest hospital and tell them to prep a serum.
G... Got it!

Let's move, Kota!!
I can't just leave you behind!
Darling, don't worry about me. Go to Tokyo with Kota.
We'll pick this fight back up another day.
I'll be ready for you at any time.

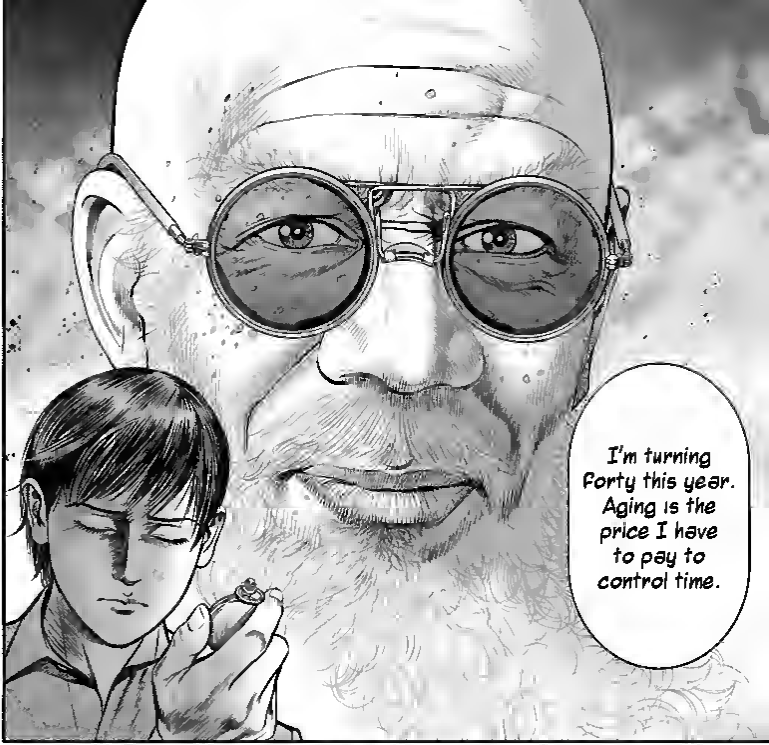
SIGN MIYAKO PREFECTURAL HOSPITAL



Fortunately, she was given first aid quickly enough that she should be free to go after a few days' rest
Take care!



I'll have to turn back time again... But how many times can I use my powers in a day?
If we head to the airport right now, we won't make it on the last flight.



I'm turning Forty this year. Aging is the price I have to pay to control time.

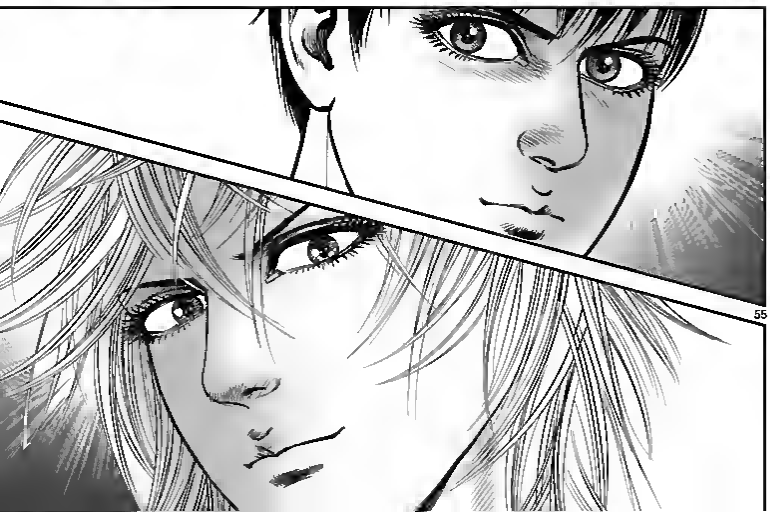
One day, I'll be an old man like Yang...

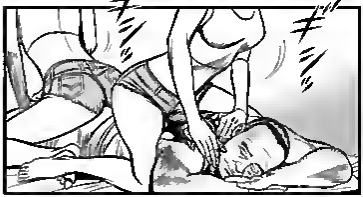
Don't give up. There has to be a way.

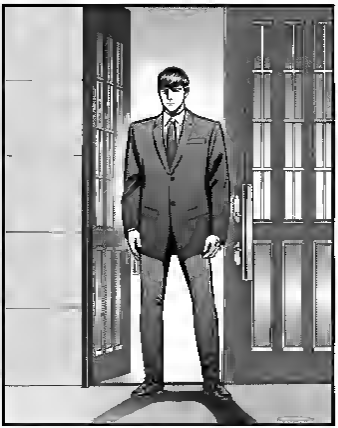
What's that sound?
A chop-per?

We meet again, Golden Boy.
What's Tony... doing here...?
I called Tony for you. He just happened to be in Taiwan.

I'll take you to Miyako Airport. Then we'll head for Tokyo by my private jet.







You seem happy, Leo. Did you make a new friend?

No.
ギリッ!!

Take the First Flight out to Tokyo tomorrow morning. There are some cockroaches you need to exterminate.
...Yes, sir.
